Quilt Top: Width _____" X Length _____"

Quilt Back: Width _____" X Length _____" (backing must be at least 10 inches wider and 10 inches longer than the quilt top)

Quilt Batting: Width _____" X Length _____" (batting must be at least 8 inches wider and 8 inches longer than the quilt top)

All Project Linus quilts require a quilt top, batting and backing. There is no charge for the quilting service provided for Project Linus quilts. We will treat your quilt as our own, exercising our high standard of care and service. The quilting design and thread color choice is at the discretion of Dippsy Doodle LLC. Understand that machine quilting will not "fix" fullness, puckering, inadequate seam allowance, improperly measured borders, or the squareness of your quilt. It is also important to understand that quilting is an art and not exact. Minor imperfections are normal.

Please note that I do not repair, make border adjustments or press your quilt top and backing. Items should be delivered ready for quilting.

Your quilt will be ready as time permits.

Mechanical Disclaimer---Sewing machines are mechanical devices. Despite careful maintenance, mechanical problems may occur and cause damage to a quilt top or back.

SERVICE AUTHORIZATION:

I hereby authorize Dippsy Doodle to perform the long arm machine quilting listed above to be done to my quilt. I understand that Dippsy Doodle LLC is not responsible for any damages to the quilt by any cause that is beyond their control, including but not limited to flood, fire, theft or mechanical failure.
